## Welcome!

Tri-Church METRO, a satellite campus of Trinity Fellowship in Sharpsburg, Georgia, has embarked on a new chapter in both the lives of Trinity and the City of Fairburn. We have launched in the Metro Atlanta community where we are:

- Exalting Jesus through passionate worship services
- Equipping the believer through practical and authentic small groups
- Evangelizing the world through local and global missions.

We are looking forward to you joining us as we share the love of Christ through caring and impacting this community.
